

Internship - Educational document repository project

About the project

Professor Vikas Maniar of Azim Premji University is working to create a repository for educational documents. These documents may include Court judgments, CABE reports, committee and commission reports and reports by various state governments etc. This vast repository of documents is going to be a valuable resource for researchers in the educational space. This internship program invites you to be a part of this mission.

What would you do? - Roles and Responsibilities

You will be given access to educational documents. You can get involved in the following works:

- Reading the documents and producing abstracts of them. You will be given basic guidance and training through online meetings.
- Locating important documents from the web.
- Editing of documents.
- Organising the documents.

Who are we looking for? - Requirements and Qualifications

We are looking for:

- Young motivated students with an active interest in the policy domain.
- Reading and writing proficiency in English.
- The candidate must have at least a Bachelor's degree.(Students in the final year of their graduation can also apply)
- One who believes in time bound delivery of work.

Duration of internship

This is a six-week-long internship that will be conducted in online mode. It is scheduled to start from 17th April 2022 and will conclude on 1st June 2022.

Process of Application

Interested students can apply for this internship through this [Link](#). Selected students will be notified through the registered mail id.

What will you get from this internship?

- Certificate of completion of the internship which will recognise your academic labor.

- Access to sessions on different themes of education policy on a weekly or alternate week basis.
- Exposure to educational policy documents.
- This is an UNPAID internship.
