

ENTERPRISE UNUSUAL, OPPORTUNITY UNUSUAL

Access Livelihoods Group

Access Livelihoods was established in 2005 in Hyderabad, Telangana. It is a collective of social enterprises that by choice works with women and youth from marginalized communities to reimagine and transform their livelihoods. The group comprising of six entities extend comprehensive services to enable enterprise incubation and employment opportunities. As a group, we offer end to end support including pre-incubation, incubation, and acceleration support programs. These professional services are delivered by a team of 60+ passionate individuals who have graduated from some of India's best institutions and have consciously chosen the road less traveled. Presently Access Livelihoods is working with 65000 women producers across five states. To know more about Access Livelihoods, visit www.alcindia.org/.

Transforming India Initiative (TII)

The Learning Foundation of Access Livelihoods has launched the Transforming India Initiative, a platform through which we offer several short- & long-term tertiary education programs. The programs are designed to equip motivated youth, rural women, and other groups from all across the country with entrepreneurial and intrapreneurial skills.

For each program, we partner and work with organizations and institutes like the NITI Aayog, Tata Institute of Social Science (TISS), Institute of Rural Management Anand (IRMA), UNDP, MANAGE, Axis Bank Foundation etc. To know more about TII, visit <https://tii.alcindia.org/>
