

## **Videography & Editing Internship at Opportunity Cell**

Since starting in October, 2018, opportunitycell.com has grown to be a popular destination for educational opportunities for students across streams. Our mission is to enable informed and inspired careers; and we have just started. Engineering, Science, Medicine, Social Sciences, Arts, Business, Law, Commerce are huge streams with 100s of 'educational opportunities' being held and organised every day. We want our young people to be able to access them easily and explore their selves and careers by participating in such events and opportunities.
